The Bankrupt Act.

We have been requested to publish the Bankrupt Law. This is impossible. It makes a respectable volume. In order, however, that our readers may understand it, and may therefore not be liable to be imposed upon by parties, who are indifferent to the interests of others, we have taken some pains to compile from several sources the following general principles of the Act, for the benefit of all who contemplate seeking its benefits. But first of all, we advise our friends not to determine hastily what they will do, until they have had the counsel of a respectable and intelligent Attorney, upon whom they can rely.

1. The manifest design of the Bankrupt Law is to benefit honest, but unfortunate, debtors, whose just liabilities are greater than they can pay.

2. To become a voluntary bankrupt under this Act, the debtor must owe at least $300, which, of course, he is not able to pay in full.

3. Petitioners under the Bankrupt Act are required to render a schedule of *all* their debts and liabilities, of *every kind and description whatever*, and also an inventory of all their estate, both real and personal, including all property and effects of which they are possessed, or in which they may have an interest, (though not in possession) in conformity with certain "Forms" prescribed in the "General Orders" of the Supreme Court of the United States. These schedules, verified by the oath of the petitioner before a District Court Judge, Register in Bankruptcy, or U S Commissioner, must accompany the petition, and, when filed, is the commencement of proceedings in Bankruptcy. If it should be found out, pending the proceedings at any time before the bankrupt is discharged, that he has, by any shift or subterfuge, made a false or partial schedule, this would be evidence of fraud and would defeat his discharge.

4. When the petition is by a firm or copartnership, a full set or schedules of the respective estates of the members of the firm should also be added.

5. When the petition is filed, the case is immediately referred to a Register, who examines the petition and schedules annexed thereto, and if they are correct in form, makes a certificate to that effect, to be filed with the Clerk, then adjudges the debtor a Bankrupt and issues a warrant to the messenger to summon all the creditors named in the petitioner's schedules to meet at the Register's office, at a certain time and place, to prove their claims and elect one or more Assignees to take charge of the Bankrupt's estate.

6. A creditor can, however, prove his claim at any time previous to the last dividend, which will generally be six months subsequent to the adjudication of Bankruptcy.

7. No creditor has any standing in a Bankrupt Court until he proves his claim.

8. Creditors have no right to expedite the Bankrupt to answer questions concerning the disposal of property by him acquired subsequent to filing a petition in Bankruptcy. "In other words, the date of the filing of the petition by or against a debtor, is the date at which, if adjudication of bankruptcy follows, the old order of things passes away and a new leaf is turned over." On this point decisions have been various. The safe rule appears to be, that the applicant in Bankruptcy has a perfect right to claim whatever he has made after his application, by his personal exertions, but any profits he may have made from investment or credit, may be liable to the claim of the receiver up to almost the period of his discharge.

9. The Bankrupt can apply to the Court at any time after the expiration of six months, and within one year from the adjudication, for the discharge in bankruptcy, and in case no assets come into the hands of the assignees, or no debts be proved against his estate, at any time after the expiration of sixty days.

10. As soon as an Assignee is elected or appointed, the Judge or Register will convey to him, by deed of assignment, all the bankrupt's property except what is exempted, viz: "Household and kitchen furniture and other necessaries not exceeding in value ($500) five hundred dollars; also his wearing apparel and that of his wife and children, and such other property not included in the foregoing as is exempt from levy and sale upon execution or other process by the laws of the State in which the bankrupt resides, to an amount not exceeding that allowed by State exemption laws in force in 1864. A safe Counselor suggests, under this head, that the common impression that persons may become bankrupts and yet be allowed to retain their houses and lands, or other property of considerable value, is a great mistake. Under the Act, no honest Bankrupt in this State can have allotted to him, free from the operation of the Act, exceeding $700 besides the wearing apparel of himself and family. Bankrupts in this State are not entitled to homesteads under this Act.

11. It is the duty of the assignee, within twenty days after the assignment to him is made, to allot to the bankrupt such articles as are exempted, and file an inventory of the same with the value of each article so allotted, and creditors may make objections to the report of the Assignee at any time within twenty days after it is filed.

12. As to costs in bankruptcy proceedings, section 46 of the Bankrupt Act provides that the petitioner, before a warrant issues, shall deposit fifty dollars with the Register, or with the Clerk, to be delivered to the Register as a security for his fees. General order XXIX provides that the fees of the Register, Marshal and Clerk shall be prepaid or secured before they can be compelled to act. It is also provided by General order XXX that where the debtor has no means, and can prove the fact to the satisfaction of the Court, upon application, an order will be made requiring all the costs in the case to be paid out of the fifty dollars deposited with the Register. If, however, there are assets, but not enough to pay the Messenger after deducting the Bankrupt's exempted property, so that nothing comes into the hands of the Assignee, the fees will have to be paid by the Bankrupt; but if the Assignee receives assets, the fees of the Messenger will be paid by him before any dividend is made among creditors.

13. Some suppose that the Register is entitled to $50 fee. The fees of the Register, Messenger, Clerk, and costs of publication of notices in Bankruptcy, are fixed by law, and if they demand higher fees, they are liable, as in other cases of malfeasance in office. In ordinary cases of Bankruptcy, the fees may amount to $100. In some cases more, in some less—the costs depending on the amount of labor and litigation involved in each case.

14. Differences of opinion among Attorneys have existed in this State, as to the limit which the Act makes, as to the time to make application in Bankruptcy. Some have supposed that no debtor will be permitted to apply for Bankruptcy after some early day in March, unless he is able to pay fifty per cent of his debts. We are assured that this is not the case. The law did not go into operation for the purposes for which it was enacted until June 1st, 1867. It gives twelve months from that time, to all honest debtors, whatever may be the extent of their indebtedness which they cannot pay in which to present their applications. After the 1st of June next, every debtor must be able to pay fifty per cent of his indebtedness in order to a successful application in bankruptcy, unless he first obtain the consent of a majority of his creditors.

THOUGHTS FOR THE PEOPLE

No. 7.

FIFTEEN SOLID OBJECTIONS TO THE PROPOSED CONSTITUTION!

Let the People Ponder them Well!

1. The life-principle of this Constitution is ABSOLUTE EQUALITY OF RIGHT, IN ALL THINGS, of all races and colors.

2. It provides for and establishes, not only CIVIL, but also POLITICAL and social, equality of the WHITE and NEGRO races.

3. It makes the negro eligible to hold any office, HIGH or LOW.

4. It provides for a system of PUBLIC COMMON SCHOOLS and for a STATE UNIVERSITY, to which ALL children, between the ages of six and twenty-one years, WITHOUT DISTINCTION OF RACE OR COLOR, may go, and provides that the Legislature may COMPEL those between the ages of six and eighteen years to go, and the Legislature will have NO POWER to provide, as a matter of right, for WHITE and BLACK Schools; the Legislature cannot create or uphold distinctions of this sort, under this Constitution.

5. It provides a Militia system, which compels the common enrolment of WHITES and NEGROES, and creates the RIGHT of the negro, as well as the white man, to fill the Militia offices, and to command the Militia; and the Legislature will have no power to provide separate Militia organizations of whites and blacks.

6. It provides, by and through its LIFE-PRINCIPLE, EXACT EQUALITY of the white and black races, that white children may be bound and apprenticed TO NEGROES, and the Legislature will have no power to provide otherwise.

7. It provides, by and through the same principle, that white and black people may INTERMARRY, and the Legislature will have no power to prevent this.

8. It provides, by and through this same principle of *exact equality of right*, that negroes may go to the same Churches with white people, and, when the seats are common to everybody, may sit among the white people,—go to the same public Hotels and sit at the table with the white people,—ride in the same cars, sit in the same jury box, and, in short, do and enjoy whatever is of common right, with the white man, and as the white man may.—Let it be here remembered that there are 70,000 negro voters in this State, and that if this Constitution succeeds, they can and will RULE, by the aid of bad, degraded white men, and that, in many counties of the State, they have absolute control of everything, as they are vastly in the majority! There, life will be intolerable to the white men.

9. This Constitution *destroys, absolutely*, our present Judiciary system, which has worked so well, and to the satisfaction of everybody and all parties, from the foundation of our government. As it now stands, it is settled, well understood by our people and our Judges, and, under it, the rights of all are secured. This system, too, has the sanction of the greatest, purest and wisest Judges that ever lived; it has been maturing for ages at the cost of untold sums. This new Constitution abolishes this old system, presents a new and untried system, and puts the rights of the people at sea without any compass or chart by which to sail. It will take generations to settle this new system, and it will cost millions of dollars, in one way and another, to settle the thousands of new questions of law that will spring up under it. Besides, this new system has not the sanction or approval of any Judge of experience or learning in this country or England; on the contrary, it is condemned by Judges of virtue and learning everywhere. It has not the sanction of a single disinterested lawyer of ability and learning, and the good sense of all people will enable them to see that the proposed system is unsafe and utterly impracticable.

10. It abolishes the County Courts and substitutes none in their stead; it leaves most of the business done by these Courts to the *Clerks of the Superior Courts*. These Courts have been of incalculable benefit to the people; they are emphatically the *people's Courts*; they are simple, plain and easily understood by the plainest and simplest men; they are beyond question, too, the *cheapest Courts* in the world, except our single Justice's Court. Under this new system these Courts are to be closed forever.

11. It provides for the election of the Judges of the Courts by the *qualified voters* of the State. Our people have always been averse to electing Judges in this way; but what will be the consequence now, and under this Constitution, when 70,000 ignorant negroes vote, and, especially, when it is undeniable that they have voted heretofore solidly against the white man, and at the bidding of the worst men in the country?—Let every man stop to consider this.

12. It provides for cutting up the several counties of the State into what in New England are called "Townships," and that five Commissioners shall be elected in each county, every two years, and the first five elected shall divide the county up into "Townships," of suitable size, and each Township shall be some sort of a *municipality*, with a host of officers, all subject to the supervision of the five Commissioners.—This introduces a new system, which is only adapted to thickly populated States, like Rhode Island and Massachusetts. It requires a complexity of machinery and officers, and an amount of expense, wholly unadapted to the wants, tastes and education of our people.

13. It creates and provides for an indefinite number of new, expensive and unnecessary offices. These are a few of them: Two more Supreme Court Judges; four more Superior Court Judges; a Lieutenant Governor; an Attorney General; four more State Solicitors; five County Commissioners for each county; a Superintendent of Public Works, and a number, besides, for the several counties. These will cost, annually, AN IMMENSE SUM, besides increasing the complexity of our Government system.

14. This Constitution *requires* the Legislature to raise, by TAXATION, *next year*, a sum of money, which it is practically impossible for the people, in their present impoverished condition, to pay. The sum of money to pay the interest on the public debt, and for other purposes, which this Constitution requires to be collected from the people of the State at large, next year, is ONE MILLION EIGHT HUNDRED AND THIRTY SIX THOUSAND DOLLARS, and this does not include county and city taxes, nor does this include any of the taxes that must be paid to the Federal Government. If this Constitution is adopted, the taxes that the people of this State must pay, for State, county, city and United States purposes, will be every dollar of THREE MILLIONS. It will be more, in deed, than this sum. The estimates for the State taxes are taken from undeniable data, at the office of the State Treasurer. CAN the people pay this sum, now? Don't any sensible man know they cannot, without the ruin of four-fifths of those who have to pay taxes? This is a matter of the greatest pecuniary concern.

15. This Constitution is not a *North Carolina* production. It is not the handiwork of North Carolinians. It is the offspring of the *vanity, malignity* and unblushing *presumption* of a few *Northern adventurers*, who *ruled* and *drove* the Convention to do their bidding. And these men are not good men, or men of intellect; they are common men, without intellect, property or anything else to recommend them. They can pack up what they have and leave the State in twenty-four hours. This is true, of four-fifths of them, and two or three of them, who claim personal respectability, are wholly unacquainted with the wants and wishes or necessities of our people. Then, worse than all, every one of these *adventurers* was elected, not by *white votes*, but by *negro votes*; and this explains why the doctrine of *negro equality* permeates and pervades the whole Constitution. The plain, but degenerate North Carolinians, who sat in that Convention, calling themselves Republicans, not one of them, ever dreamed of such a Constitution as is presented to the people of North Carolina. It is, in truth, of Yankee paternity, and the stock is *scrub* of the worst type.

NORTH CAROLINIANS! Consider these truths, and the consequences to grow out of the adoption of this Constitution, and resse not to labor day and night,—ALL, EVERY ONE,—*for its defeat!!*

ALL ABOUT DEWEESE AND THE DARKIES.—We learn that Deweese is telling it about, that we offered "Booker Hatchings" a considerable sum of money to run for the Legislature, after his nomination. This falsehood, we are told, he repeated at Smithfield, on Tuesday. This is a new version of the story he told at Jacob Sour B's, in this county. He there said that we had offered "Wm. Edwards" and "Wm. Jeffries" money to run for the Legislature. This entire story is made up of the whole cloth. Neither of the colored men will make such a statement. Two of them have assured us they made up no such story.

The facts are these: After Deweese gave Jim Harris $1,000, or more, to back out and let *him* take the nomination for Congress, and when he wanted Booker to back out from the Legislature, in order to give place to Jim Harris, Booker came to us for advice. We told him, if his friends and constituents were not willing for him to decline, that he ought not to do so for any consideration, but if they were willing that he should give place to Harris, that then he should go to Deweese, and tell him he would back out if he (Deweese) would pay him $250. In a day or two, Booker declined, and we concluded, of course, that he had gotten the $250. After this, we mentioned to "Wm. Edwards" and "William Jeffries," that there was now a good chance for them to make some money, as the Radicals seemed to be pretty full-handed, by coming out as candidates for the Legislature. If the white Radicals were not willing for them to run, they would buy them off, as they had done Booker and Jim. The truth is, as we saw that the white Radicals were simply making use of the negroes for their own benefit, we were anxious that the blacks should make money out of them.

Deweese is now paying Booker to go round with him to electioneer for him, and we learn that Jim Jones told a friend, before he left the city, that he was going off to electioneer for Sam Watts and others, and expected to make about $1,100 during the campaign—that Sam. Watts had not paid him the cash, but had given him his note. We are anxious for the boys to make money out of the scallawags, but we are afraid that Watts is too "greasy" to pay that note. We warn Jim to look out.

HON. JOSIAH TURNER IN RANDOLPH.

A friend, writing us from Randolph, under date of March 25th., says:

"Turner spoke at Ashboro, yesterday, to an immense crowd, with tremendous effect. We shall carry the county, certain. We have a great mass meeting at Ashboro on Monday next."

THE PEOPLE ASTIR!

CONSERVATIVE MEETINGS.

CUMBERLAND.—The Conservatives of this county met in Convention, at Fayetteville, on Saturday last. The Convention was ably addressed by Messrs B. Fuller, Arch. McLean, J. H. Myrover, Benj. Robinson, Hector McKethan and W. H. Haigh. Capt. Benj. Robinson was recommended for Solicitor, and the following excellent nominations made for county officers, viz: For the "House of Representatives," (so-called,) Maj. James C. Dobbin and Capt. Jno. McKellar; for Sheriff, R. W. Hardie, Esq.; for Clerk of Superior Court, Captain N. W. Ray. Cumberland is wide awake.

RICHMOND.—A most enthusiastic meeting was held at the county seat, on Tuesday of Court. Peter McRae, Esq. presided. Excellent resolutions were adopted, and the meeting was addressed by Hon. Thos. S. Ashe, our nominee for Governor, Giles Leitch, Esq., Col. N. A. McLean, Col. W. L. Steele and H. C. Wall, Esq. The latter gentleman was nominated, by acclamation, as the White Man's candidate for the "House of Representatives," (so called.) Holdenism is dead in Richmond.

BEAUFORT.—Perhaps the most glorious and cheering rally of the campaign was held in Washington, on the 18th. It was attended by an immense crowd, irrespective of previous political creeds and opinions. Dr. John Eborn was appointed chairman, N. A. W. Guilford, Jno. Q. Adams, Will. Gaylard, Jos. Potts, Churchill Bright, Jas. F. Crawley, H. G. Hilton, Thos. H. Blount and O. H. Tankard, Vice Presidents, and F. J. Satchwell and Richard Granger, Secretaries. Able and inspiriting speeches were made by F. B. Satterthwaite, Esq., Hon. J. R. Stubbs, Col. David M. Carter, Col. Geo. Johnson, of Pitt and Maj. Sparrow. The finest spirit prevailed, and the official account says that the speeches of Messrs. Carter and Satterthwaite awakened a degree of enthusiasm not witnessed in old Beaufort for many years.

Col. Rufus W. Wharton and Burton Stilley, Esq., were nominated for the "House of Representatives," (so called); Edwin G. Hodges, for Sheriff; Fenner J. Satchwell, for Superior Court Clerk, and Richard Granger for County Court Clerk. In compliment to Hyde, the nomination of a Senator was left to the Conservatives of that County.

The following excellent resolutions, among others, were adopted:

Resolved, That we believe the design of the revolutionary leaders in this matter is to suppress investigation; to shut out the truth; to mystify and blind the people; to overthrow Republican institutions; to work the pecuniary ruin of the people themselves; to subvert their social *status*; to overwhelm it with the burden of a public debt which can never be paid; to fill its offices with self seeking strangers, who are unfriendly to its best interests, and to accomplish our ruin as a people from the basest motives of revenge and self interest.

Resolved, That we are opposed to the ratification of this Constitution thus submitted, and that we will vote for its rejection.

Resolved, That if the Congress of the United States treats us as a conquered and subjugated people, without political rights, and dictates to us in advance the principal features of our Constitution, it ought not to require us to take any part in the farce of enacting it, and the Congress ought to assume the entire control and responsibility of the whole matter, openly and not covertly, fairly and not falsely, when it seeks to deprive us of our birthright as American citizens; and that we cannot be made the instruments for surrendering our rights, or destroying our own self-respect, by voting, under military coercion and threats, for men or measures which do not meet our approval.

Resolved, That we have confidence in the wisdom, patriotism, and purity of the nominees made by the Executive Conservative Committee of the State for State officers, and we will give them an earnest support.

Resolved, That we will use every honorable effort to retain in his present position of Superior Court Judge our distinguished and beloved fellow citizen, the Hon. E. J. Warren, whose legal acquirements, purity of character, and honesty and impartiality eminently fit him to fill the highest Judicial office in the State.

THE DIFFERENCE in the *personnel* of the Constitutional Conventions of 1835 and 1868 was simply that between giants and pigmies. In the matter of *pay*, it was ditto—only *vice versa*, as the records abundantly show.

The *whole cost* of the Convention of 1835 was exactly	$ 13,117 32
The cost of the Convention of 1868 so far as ascertained, (not including W. W. Holden's gigantic printing bill, not yet presented) is	8,333 00
The whole pay of members, 1835	77,164 99
The whole pay of members, including officers and employees, 1868	74,320,00
Daily pay of each member in 1835	1,50
" " " in 1868	8,00
Mileage in 1835 5 cents per mile.	
" " 1868, 20 cents per mile.	

A comparative statement of a few individual cases will be instructive, if not very edifying:

The Hon Nathaniel Macon was President of the Convention in 1835 and his whole pay, per diem and mileage, was	$ 63 50
Calvin J. Cowles was President of the so-called in 1868, and his per diem and mileage amounts to	848,00
Wm. Gaston, from Newbern, received	69 00
C. D. Pierson, (negro) from Baldwin,	555,00
Judge Seawell, from Wake, rec'd	57 00
Jim Harris, from Canada West,	512 00
Wm. B. Meares, from Wilmington,	64 00
Galloway, (negro)	564 00
Judge Toomer, from Fayetteville	65 95
J. W. Hood, Connecticut negro	616,80
Calvin Graves, Caswell,	64 75
Carey, heavy negro (and sleeps)	572,00
Governor Morehead, Guilford,	65 00
A. W. Tourgee, white man (so called)	544 00
Judge Daniel, Halifax,	63,00
Epps and Hays, negroes (each)	501,20
Governor Owen, Bladen,	65,50
French, aspiring Yankee,	564,80

In several cases the mileage of the patriots of 1868 exceeded the *per diem* and mileage of those who represented the same constituencies, in 1835.

Cowles' mileage amounted to	$ 80,00
Galloway's, from Wilmington,	52,80
Hood's, from Fayetteville,	165,80
Carey's, from Caswell,	66,60
Epps and Hays', from Halifax, (each)	93,20
Abbott's,	52,80

And so on—*and so on.*

Good Hevings! are we not a great people, and becoming greater every day? Who cares? A fig for the expense! Rich as cream!—no heirs and no poor kin!

PENITENTIARY AND HOUSES OF REFUGE, &c.

Those who vote for the new Constitution vote for a Penitentiary, for Houses of Refuge and Correction, and for the enormous taxes to be imposed by the new Constitution.

The Penitentiary, and these Houses of Refuge, &c., are required to be self-sustaining. This is an impossibility in North Carolina. But how are they to be self sustaining? Why, every fellow, guilty of a petty theft or a misdemeanor, instead of being whipped and let go, must be shut up in the Penitentiary or the Houses of Correction and made to work. The number of vagrant, thieving negroes and mean whites in the State are to fill these places, and will be required to make shoes, harness, saddles, furniture, farming utensils, carriages, clothing, blacksmiths' work, &c., and thus directly interfere with the mechanics of the State. The *Standard* publishes, almost every day, an appeal to the working men of the State. It claims that Radicalism will help the working men. Does it suppose that the white mechanics and working men of the State are so blind that they cannot see? Is it of advantage to our white working men to be made equal with the negro—to have their business put in daily competition with negro mechanics, and with the work of the vagrants of a Penitentiary?

It is an insult to the intelligence and virtue of the white working men of the State, to be told that negro equality and negro supremacy can help them. The white men of North Carolina will not consent to negro equality, negro competition in labor, and to the competition of vagrant negro and white labor. They were born free and have never been enslaved, *and never will be*, without a struggle. They are the architects and builders of the fortunes of the country—they are the bone and sinew of the land, *and were never in bondage, and never will be.*

RADICAL CORRUPTION.

We are actually pained to learn that even a Radical scallawag should commit so base an act as we hear has been committed by Turner, member of the Convention from Harnett. Living THIRTY MILES from Raleigh, he charged mileage for FIVE HUNDRED AND TWENTY FOUR MILES—one hundred and four dollars to go THIRTY miles from Harnett to Raleigh!

So it appears that the honest people of the State must pay taxes on all their real and personal property—on their *horses and hogs, their pigs and their poultry*, their *household and kitchen furniture*—EVERYTHING—to pay men as Turner, who says that his home, THIRTY MILES from the Capital, is really TWO HUNDRED AND SIXTY-TWO MILES there from, and PLUNDERS the State of twenty cents per mile going and returning. And it is said, too, that he went the thirty miles in his buggy.—*Wil. Journal.*

Turner is not alone in this matter. An examination of the mileage accounts of many of the scallawags would, doubtless, disclose strange and rascally developments. Hood, (negro preacher from Cumberland,) living only 60 miles from Raleigh, received, for mileage, $104.80,—whereas he should have received, at 20 cents a mile, going and coming, only *twenty-four dollars!* All the people of North Carolina,—white and black,—are to be taxed on their personal property, from the cradle to the Bible, to pay the cost of such infamous frauds!

THE PRESIDENT'S ANSWER.—We regret we have not the space to publish the President's answer to the Impeachment charges in full. Our columns are so exclusively devoted now, and will be for the next few weeks, to the vital and absorbing issues which so immediately affect the people of North Carolina, that we shall have space for little else; though we will endeavor to keep due pace with the progress of the great trial.

The President's answer is admirably drawn. It is manly, too. It meets the questions boldly. It puts the President upon high ground. And its allegations in reference to Stanton and to the usurpations of Congress will stand as the judgment of the next generation and all their successors.

AN ENGLISH MEDICAL philosopher maintains that there are adulterations amounting to poison to nearly everything we eat—in nearly all that we drink, not excepting even spring water, and in very many of the medicines we are compelled to use as remedies for these adulterations. How would our philosopher feel—what wry faces would he make,—if he were forced to swallow the whole Pandora's box of nauseous physic prescribed *for us* in that dirty new Constitution! Fish! compared to that abomination, Assafœtida and Ipecacuana are peaches and pine apples.

LINCOLN.—A friend, writing us from this county, under date of March 23rd., says:

"We had a meeting at 'Beal's Old Field,' on Saturday. Maj. W. A. Graham, Jr., addressed the Convention on the issues of the day. A Conservative Club was organized, and almost every man present put his name down, including those who voted the Radical ticket at the last election.

Old Lincoln is all right. We will certainly elect the Conservative county ticket and will give a good majority against the Constitution."

THE REMAINS OF GEN. JOHN MORGAN.—The remains of this renowned chieftain, now reposing at the Hollywood, are to be removed to Kentucky for final interment—His brother, Capt. C. C. Morgan, will arrive here about the 1st of April, to take them in charge.—*Rich. Whig.*

The Washington *Star* says Mr. Johnson will appear in person in the Senate on the opening day of the trial, which will be after the replication of the House is made to the answer of the President's counsel.

Thad Stevens says: "The principles of the Republican party are eternal." "So are the ears of the ass and the malice of the devil," says Prentice.

Definition of K-K-K—Keep Klear of the Kowles Konstitution!—*Wil. Star.*

SHALL WHITE MEN BE ENROLLED in the MILITIA with NEGROES,—*perhaps, under negro officers?* That is one of the issues.

DOWN WITH THE MONGREL CONSTITUTION! *That is the slogan.*

(From the Washington Star, 23rd.)

IMPEACHMENT.

The floor of the Senate presented the same appearance as on the preceding day of the trial. One hundred and fifty chairs were ranged behind the Senators' desks for the accommodation of the Representatives, and those entitled to admission to the floor. And two large tables were placed on either side of the Secretary's desk for the House Managers and the President's counsel. Between eleven and twelve the Senators dropped in and took their seats.

Nearly all the ladies known in fashionable circles in Washington occupied seats in the galleries; among them were Mrs and Miss L. Chandler, Miss Cameron, Mrs C Black, Mrs Senator Sprague, Miss Nettie Chase, Mrs Senator Wade, Mrs and Miss Butler, Mrs Logan, Mrs Morton, Mrs Senator Cattell, Mrs McCulloch and Mrs Randall. In the diplomatic gallery were Miss Harriss, daughter of Minister Harriss, M Rangebee, Grecian Minister, and some others. Mr George W Wilkes, of *Wilkes' Spirit*, occupied a seat on the floor of the chamber.

THE COUNSEL FOR THE PRESIDENT.

Seated at a table to the right of the Chief Justice are the counsel for the defence, differing much in bearing and in personal appearance, but all bearing the impress of men of ability.

Mr. Stanbery, who resigned his office as Attorney General to appear for the President in this trial, sits at the head of the table. Should the President be acquitted Mr. Stanbery will be re-appointed to the Attorney Generalship, the office being kept vacant meantime; but should the President be convicted, why then Mr. Wade will have something to say in the matter, and somebody else will be made Attorney General, quite likely Mr. Mathew H. Carpenter, of Wisconsin. Mr. Stanbery is the most distinguished looking of the array of counsel for the defence—tall, graceful in bearing, and with a countenance indicative of thought and sagacity.

Next at the table is R. R. Curtis, of Boston, presenting in his short, compact figure and rather bull-doggish expression of face a marked contrast to Mr. Stanbery. In personal appearance he somewhat resembles President Johnson, from which fact arose the report so generally circulated on the day of the commencement of the impeachment proceedings, that the President had appeared at the Senate in person. Mr. Curtis maintains a leading rank in New England for ability and learning. He was for a time Justice of the Supreme Court.

Mr. W. M. Evarts, of New York, is a lawyer like looking personage, tall, small of size, and with features giving the idea of quickness and acuteness of thought. Mr. Evarts is a decided Republican in politics, and one of the foremost members of the New York bar.

The fourth of the President's defenders is Mr. J. S. Black, of Pennsylvania, a Democrat of the strictest school, who was Mr. Buchanan's Attorney General, and afterwards, on the resignation of General Cass, his Secretary of State. His abilities have long been recognized at the White House, and popular report has assigned to him the authorship of many of the ablest State papers of President Johnson.

The conceded ability of Mr. Nelson among those by whom he is best known, has doubtless caused his retention by the President as one of his counsel. In appearance Mr. Nelson is rather solid than brilliant; and the peculiarly deliberate manner in which he enunciates his words, while drawing upon his head the ideas-ings of the reporters, tends to make his speakings monotonous and tiresome.

Judging from externals, Messrs. Stanbery and Evarts will do the scalpel work of the trial and Messrs. Curtis, Black and Nelson the sledge-hammer business.

In person Mr. Black is tall, raw-boned, angular in feature, and is said to bear no little resemblance to Lord Brougham. As a lawyer he stands in the first-class and he is noted for that audacity and fertility of resources which serve a lawyer better in many instances than all his learning and experience. Mr. Black was not present at the opening of the proceedings to-day.

Hon. S. Groesbeck, of Ohio, who appeared to day for the first time as one of the counsel for the President, is a lawyer of fine standing in the West. He was in the thirty-seventh Congress from Ohio, and in politics is a war Democrat. His appearance indicates force and self possession.

Lastly, there is Mr. T. A. R. Nelson, of Tennessee. Mr. Nelson was in the early part of the war an earnest Union man, and was elected to the United States Congress as such, from his district in East Tennessee, in August, 1861, but being taken captive by the rebels on his way to attend the following session of Congress, he recanted his allegiance to the Union, and threw the weight of his influence thenceforward in favor of the rebellion until the end.

SHALL NEGRO GUARDIANS BE APPOINTED FOR WHITE WARDS? *That is one of the issues.* The so called Convention voted down a prohibition of this possible outrage!

Shall MARRIAGE BETWEEN NEGROES and WHITES—*amalgamation*,—be allowed? That is one of the issues.

Mass Meetings.

The State Executive Committee recommend the holding of Conservative Mass Meetings at the following times and places:

Raleigh,	Tuesday,	April	7
Statesville,	"	"	7
Greensboro',	Friday,	"	10
Wilmington,	"	"	10
Goldsboro',	Wednesday,	"	8
Salisbury,	"	"	8

Messrs. DOOLITTLE, HENDRICKS and others of U. S. Senate, and Messrs. BROOKS, ELDRIDGE and others of the House, have been invited to attend these meetings, and they are expected to come. It will be seen that the meetings are crowded, for the reason that these gentlemen can remain in the State but a few days.

Our friends in those places are requested to make the necessary arrangements for holding these meetings and further publication, &c. Popular speakers in this State are also expected to be present. Rally Conservatives!

SAML. T. WILLIAMS, ESQ.

The Conservative candidate for Congress in this District will address the people at the following times and places:

Raleigh,	Monday, Mar. 30.	
Louisburg,	Tuesday, Apl. 7.	
Earpsboro, (Johnston,)	Saturday	" 11.

Other appointments, embracing the intervals between the above, and for subsequent times and places, will be duly announced.

CONSERVATIVE COUNTY MEETING.

A meeting of the Conservatives of Wake will be held in the Court House, on Monday next. We observe that many of the counties are nominating a County Treasurer, Register of Deeds, and County Commissioners. The vacancy created by the declination of Col. Russ is to be filled and other important business to be transacted. Let all be present. Mr. Williams, the Conservative candidate for Congress, will address the people on that occasion.

VANCE AND TURNER speak at Morganton on Thursday next. Thousands will be present.

VANCE is kindling the fires in the mountains.

THE WHOLE West is ablaze.

H. H. HELPER, ESQ.—This gentleman is out in the Sixth Congressional District as a candidate for Congress, in opposition to Holden and the new Constitution. Mr. H. is in earnest and he is a friend of the white race in North Carolina, though not an enemy to the negro. He will give Daddy Cowles fits, if he falls in with him.

MUNICIPAL.—The regular meeting of the Board of Commissioners was held on Wednesday evening. Quite an amount of business was transacted.

Harris & Thomason, Wilmington St., and W. D. Powers, North side of Market Square, were granted license to retail spirituous liquors.

W. W. Woodell was appointed Weigh master for the balance of the year.

Several City ordinances were amended:

Every occupant of a lot on any street shall keep the foot way clean and the gutters open, and, on failure to remove rubbish, when notified, shall be fined $5.

Any person feeding any horse, mule or other animal, on any street, (except on Hargett St., between Fayetteville and Wilmington Sts., and on Wilmington St., between Hargett and Martin Streets, with the consent of the owner or occupant of the store or shop fronting on said streets, and on any street in the vicinity of Railroad depots,) or who shall hitch said animals to any shade tree, &c., shall be fined $5, with costs of warrant, &c.

THE REGISTER.—The publication of the *Daily Register* has been suspended. This is rendered necessary, because the immense edition of the "Holden Record" makes it impracticable to keep up the daily edition. The Weekly will be continued, as usual.

D. R. Goodloe, Esq., retires from the editorial management of the *Register*. He has our best and kindest wishes in his retirement. We have differed from him politically, but are pleased to bear testimony to the gentlemanly and high-toned courtesy which has distinguished his conduct of the *Register*.

TOURGEE ACCEPTS.—Judge Warren very properly scouted the proposition of the Radicals to run him for Judge in the Seventh Judicial District. They have fallen back upon Tourgee, and he, of course, accepts. He plainly intimates, in his card, that, whether elected or defeated, he will give his unfaltering support to the Radical party. We understand this to mean that he consents to become a partizan Judge.

Such a nomination is an insult to every decent white or black man in the State. A more loathsome, scurvy, low-down Yankee cannot be found in the State. Moreover, he has no license as a lawyer, and could not get a respectable recommendation to the Supreme Court, for a license. Yet, he has the Radical nomination for JUDGE!

GOV. VANCE ON THE TRAMP.—We learn that Gov. Vance addressed the people of McDowell, at Marion, on Tuesday last, with powerful effect. A deputation from Mitchell County came over to meet him, and we learn he has made a list of appointments for the trans-montane Counties. THE WEST IS ALL ALIVE!

STATE CANVASSERS.—James T. Littlejohn Esq., of Oxford, is hereby officially announced as one of the Canvassers for the State at large,—having been appointed as such by the Conservative State Executive Committee.

DR. J. T. LEACH, OF JOHNSTON.—We are highly gratified to learn that this consistent Union man and sterling patriot is warmly enlisted against the nefarious schemes of Radicalism and the infamous "Idiotic Constitution."

THE NEW HANOVER Canvassers are working bravely.

COL. R. H. COWAN, of Wilmington, one of the State Canvassers, has taken the field actively. We regard Col. C. as one of our ablest public men, and we are rejoiced to see that he has thrown his whole soul into the canvass.

CAPT. E. S. PARKER, one of the Conservative Canvassers for Johnston, made, we learn, a most capital and impressive effort in Smithfield, on Monday. His speech is spoken of, by those who heard it, in the highest terms. He is doing yeoman's service.

HOLDEN RECORD, No. 3, is out. It finishes the X. P. G. Never was herring deader or eel more completely skinned.—An immense edition will be issued. Every body has a copy.

SOME FEW of the scallawags are as yet unprovided with prospective offices. They *must* be rewarded. Are there no *"granny" inspectorships?*

THANKS to Eli Murray, Sr., of Alamance, for a club of twelve subscribers to the "Sentinel."

TRUCK FARMING.—The Norfolk 'Journal" says that preparations are now making for carrying on tracking on a far larger scale next year than ever before, "when it is anticipated that the berry crop alone will bring one million dollars."

HOLDEN ON THE CONVENTION.

(HUDIBRASTICALLY RENDERED.)

"Here Tinkers bawl aloud to settle
State discipline, for patching kettle
Botchers leave old clothes to their fate,
And fall to *turn and patch the State!*
Some reconstruction cry, instead
Of pudding-pies and ginger-bread.
And some, for brooms, old boots and shoes
Bawl out to *purge the Commons House!"*

W. W. HOLDEN ON THE NEGROES AT MARKET SQUARE.

"We dislike the crowds of negroes and dogs on the market square every morning. Our opinion is that neither should be permitted there. The dogs fight for the amusement of the negroes, and the negroes, who are sent with money to buy provisions, don't care what price they pay; and the consequence is that prices for such things as usually come to market now, range as high as they did in flush times of money and a scarcity of the main staples of support. We like good eating, and are willing to pay a good price for it; but we do not like, when we bid a fair price for an article, to be over bid by some negro." * * * *
(*W. W. Holden, in the Standard of Sept.* 18 1865, *five months after emancipation*,)

[From the National Intelligencer, March 23d]

THE ANSWER OF THE PRESIDENT.

We publish elsewhere in full the answer of the President to the impeachment articles. It is a document that will challenge the admiration and respect of a free and enlightened people. Every article and each allegation is answered in detail with a calm dignity and force that, upon the bare issue of the articles themselves and the answer as it is presented, leave nothing whatever of the impeachment case. It is clear, emphatic and conclusive. In any ordinary judicial tribunal the case might safely be rested upon this answer alone. With fanatics and partisans its unequivocal statement of facts and unanswerable logic will be of little avail; but with the sensible and earnest men in the Senate, who are willing to lift themselves above mere partisan purposes, this reply of the President will have great weight.

SHALL WHITE CHILDREN BE APPRENTICED TO NEGRO MASTERS?—*That is one of the issues.* The mongrel Convention refused to prohibit such a thing!

THE GREAT and paramount issue is: SHALL NEGROES or WHITE MEN RULE NORTH CAROLINA? All other issues are secondary and subordinate, and should be kept so.

Correspondence of the Sentinel.

CALDWELL O. K.

LENOIR, N. C., Mar. 21st., 1868.

EDITORS SENTINEL:—The ball is fully opened in the county of Caldwell.

To-day we had quite a large mass meeting of the citizens of all parts of the county. Gen. Patterson was called to the Chair, who made a most forcible argument in opposition to the policy and tendencies of the dominant party. Dr. Bell was then called on, who addressed the meeting in the most eloquent and impressive style, urging the people to rally to the cause of the Conservative party in this crisis.

Maj. W. H. Malone was then called on, who came forward and addressed the meeting for near two hours, in one of the most thorough and convincing efforts which has been heard during the canvass. We think that Major Malone and Dr. Bell should canvass the State, if possible. They are both well posted in the issues of the day.

Great enthusiasm was exhibited in the meeting. The people are moving. Union Leagues are bursting to pieces. I hear of many coming out of these secret conclaves, and rushing to the support of the Conservative ticket. The letter of Gen. Patterson breathes the right sentiment. KEEP THE BALL MOVING! CITIZEN.

Correspondence of the Sentinel.

GOOD TIDINGS FROM GRANVILLE.

OXFORD, N. C., March 24, 1868.

Messrs. Editors:—I am glad to be able to state that the Conservatives of Granville have nominated the following noble ticket:

For the Senate.—W. H. Jenkins.

For the House of Commons.—J. S. Amis, Dr. Wm. R. Hicks and James H. Rowland.

These gentlemen have all signified their acceptance. They all take strong Conservative ground and are sterling and popular gentlemen.

It is now well ascertained that Captain Ed. Lyon, Mr. York, and others, who were reported to be Radicals, are good Conservatives. The same may be said of many others. The Conservatives are growing rapidly in Granville. G.

CONSERVATIVE MEETING IN PERSON.

At a large and enthusiastic meeting of the Conservative party of Person county, held in the Court House, at Roxboro', on Tuesday of our Court week, Capt. Alexander Williams was unanimously elected Chairman, and Alexander Walker and J. M. Jones were requested to act as Secretaries.

On motion of H. T. Jordan, Esq., the Chair appointed a Committee of five to prepare business for the meeting, consisting of Messrs. H. T. Jordan, Col. Henry Carver, W. T. Noell, Esq., Hugh Woods, Robert Bumpass, Esq., and W. A. Bradsher.

In the absence of the Committee, Col. T. B. Venable, being present, was called on, and responded in a most effective and stirring speech, which was received with great pleasure and applause.

James Graham, of Orange, being loudly called for, replied in a most eloquent and patriotic speech, which was received with great enthusiasm.

The Committee having returned, submitted the following resolutions, which, being ably supported by H. T. Jordan, Esq., were adopted by acclamation:

Resolved, That we heartily endorse and accept the Declaration of Principles and the Plan of Organization adopted by the State Conservative Convention at Raleigh on the 5th and 6th of February, 1868.

Resolved, That H. T. Jordan, Alexander Walker, W. A. Bradsher, and R. O'Brian be appointed to canvass the county.

Resolved, That the Chairman appoint three in each Captain's District in the County to take charge of enrolment, registration, and local organization in their respective districts.

Resolved, That W. H. Smith, John Brooks, W. A. Bradsher, William Harriss and Alexander Walker, be appointed an Executive Committee for the county, to call meetings, and that they nominate candidates for the Legislature.

Resolved, That our cordial commendation is given to the patriotic few, who, in the Convention called to sit at Raleigh by Congress, and now about to close its useless but expensive labors, have truly represented the people of North Carolina in their efforts to stem the tide of wild, wicked and radical innovation upon the ancient and honorable laws of the land.

Resolved, That we return the hand of friendship extended to us by the great Democratic party of the North, and all just and law-abiding men all over the land, and strike hands with them upon the common ground of true allegiance to the Constitution handed down to us by our fathers.

Resolved, That we recognize in Andrew Johnson, the President of the United States, a patriot and statesman, worthy of the best days of the Republic. With an ability which no man could have surpassed, a courage which few will dare to emulate, a magnanimity as noble as his courage has been high, and a self devotion and self-abnegation which will place his name in history by the side of those of William the Silent, of Hampden and Washington, he has struggled, single-handed, for three long and weary years, against a turbulent and lawless majority in Congress, for the salvation of the government, and its preservation as a republic, while he has stood forth the only protector of the South from the blind and vindictive fury of the North. We pledge him, wherever we can make it available, our support in his lawful and constitutional efforts for the rehabilitation of the State.

Resolved, That copies of these resolutions and proceedings be sent to the Raleigh *Sentinel* and Milton *Chronicle*, with request for their publication.

The Chair appointed the following gentlemen in each Captain's district to take charge of enrolment, registration, &c., to wit:

Cunningham's District.—Jas. M. McAden, J. P. Williams, W. A. Brooks.

Olive Hill.—J. S. Sergeant, H. M. Taylor, W. G. Wagstaff.

Bushy Fork.—B. D. Taylor, A. J. Hester, W. A. Bradsher.

Vanhooks.—R. O'Brian, J. C. Vanhook, W. H. Long.

Mt. Tirzah.—W. S. Noell, Squire Meadows, J. M. Burton.

Mt. Moriah.—M. D. C. Bumpass, G. Meadows, R. W. Thomas.

Allensville.—A. R. Foushee, B. A. Thaxton, Richard Springfield.

Holloway's.—Robert Holloway, J. T. Yancy, Jesse W. Brooks.

Union Square.—Robert A. Williams, J. H. Clay, John Barnett.

The meeting then adjourned.

ALEXANDER WILLIAMS Chair'm.
ALEXANDER WALKER, } Secretaries.
J. M. JONES, }

The SUCCESS of the white men of North Carolina, on the 21st. of April, is a CERTAINTY, if they will all VOTE, as we believe they will.

SHALL WHITE CHILDREN BE COMPELLED to go to the same schools with NEGROES? That is one of the issues.

SERGEANT BATES IN CHARLOTTE!

ENTHUSIASTIC RECEPTION!

CHARLOTTE, March 26, P. M.

Sergeant Bates arrived at precisely 3 o'clock to-day. He was met at the corporate limits by the Mayor and Council, and was welcomed by the former in an appropriate speech and tendered the hospitalities of the City.

Upon his arrival at the Mansion House, there was a call for three cheers for Sergeant Bates and the white man's party, which were given with a will by the assembled crowd, composed almost entirely of Conservatives.

He leaves to-morrow for Greensboro', where he will take the cars for Raleigh; returning thence to Greensboro', he will resume his march, *via* Danville and Richmond, to Washington, which he proposes to reach by the 14th proximo.

CONGRESS.

WASHINGTON, March 25, P. M.

HOUSE.—The bill fixing the tariff on the Pacific Railroad was referred.

The Secretary of the Treasury transmitted detailed reasons, why the Commissioners of Internal Revenue had asked General Steadman's removal.

The Reconstruction Committee reported the Alabama admission bill, with an additional section, providing for a Constitution never to be changed so as to deprive any class of the right, who are entitled to vote under the Constitution, or to allow any person to vote whom the 14th article disqualifies from holding office. Congress retains the power to annul constitutional amendments or acts of the Legislature contrary to this section.

Stevens moved an amendment, making suffrage universal, except for treason, felony or other crimes, infamous at common law, and, should the Legislature reduce suffrage below universal rights, all legislation admitting the State into the Union shall be null and void.

Farnsworth gave notice that he would move the previous question at 3½ o'clock to-morrow.

Adjourned.

SENATE.—Kentucky Legislature protest against disfranchisement.

A Committee of Conference was appointed on the tax bill.

The veto of the Supreme Court muzzle was considered, and the bill passed, 33 to 9.

Judge Cartter has issued a new order for Strong's arrest. This interesting complication will decide whether the District Commander's absolute authority extends beyond his District.

VIRGINIA CONVENTION.

RICHMOND, March 26, P. M.

The Committee on loan for expenses, reported that General Schofield would see that the Convention was paid to the 6th. of April, and that a party had been found ready to negotiate the loan, ordered by the Convention.

We speak in this matter "WHAT WE DO KNOW," after years of experience, and PLEDGE OUR REPUTATION FOR THE FULFILMENT OF WHAT WE HERE DECLARE. A PLAN OF ORGANIZATION.

STATE ORGANIZATION.

A State Committee, to consist of a Chairman and thirty members,—six of whom shall reside in Raleigh, and three in each judicial district—to be appointed by the State Convention.

The Committee shall have power to maintain its organization, by filling vacancies, &c., and shall take charge of all matters relating to organization, registration, &c., and a proper canvass of the State.

DISTRICT ORGANIZATION.

The members of the State Committee in each judicial district shall constitute a district Committee for their respective districts and shall appoint a Chairman, and shall take charge of all matters relating to county organization, &c., in their respective districts; and shall report all matters relating thereto, to the Chairman of the State Committee.

COUNTY ORGANIZATION.

It is recommended that each County, by popular meetings or through the medium of existing organizations, appoint a County Committee, to consist of at least two persons from each Captain's District within its limits.

The County Committee shall take charge of all matters of registration, local organization, &c., within the County, and is requested to make monthly reports to the Chairman of the District Committee, and, when necessary, to inform him of such local matters as may require the attention of the District Committee.

It is further recommended that each County Committee cause to be enrolled the names of all the registered voters of their county, who are willing to act and vote with this organization—no man to be thus enrolled without his express consent; and, also, that they cause to be enrolled on a separate list the names of all those who are entitled to register, but who have not done so, and that they use every exertion to secure their registration and active co-operation.

Resolved, That the President of the Convention appoint five or more persons, in each County, to make a thorough canvass of the same, and disseminate proper political information.

DECLARATION OF PRINCIPLES.

The Conservative people of North Carolina having, by their delegates, assembled in Convention at Raleigh, on the 5th. of February, 1868, to consider the present anomalous condition of the State, and of the country, and to consult together upon the grievances which now afflict and threaten them, and the course of action proper to be adopted in the trying circumstances which surround them, do resolve and declare

1. Our unalterable devotion to the principles of Constitutional liberty and our fealty to the government of the United States, as set forth in the Federal Constitution. That we sincerely and in good faith accept the legitimate and legal results of the late war, and do hereby reiterate our oft repeated declaration, that we most heartily desire peace and concord with our sister States and with the entire people of the United States.

2. *Resolved*, That regarding the Constitution of the United States as the source of all power in the administration of the government, and that the powers of the Executive, Legislative and Judicial departments are equal and co-ordinate, as defined by that instrument, we do respectfully and solemnly protest against the enforcement upon our people of the Reconstruction Acts and policy of Congress, as unconstitutional, unwise and destructive to society, and violative of that great principle of American politics, that each State shall have the exclusive control of its own internal affairs.

3. *Resolved* That it is the opinion of this Convention, that the great and all absorbing issue, now soon to be presented to the people of the State, is negro suffrage and negro equality, if not supremacy, and whether hereafter in North Carolina and the South, the white man is to be placed politically, and, as a consequence, socially, upon a footing of equality with the negro, and, in many localities, subject to his government as a superior. That we are utterly opposed to such change in our government and in our social relations, and that we do hereby earnestly recommend to the people of the State to manfully meet the issue now attempted to be forced upon them, and to use every proper means within their power to avert the impending mischief.

4. *Resolved*, That while we are unalterably opposed to political and social equality with the black race, we yet have no unjust prejudices against that race; that we are determined, by just laws, to protect them fully in all their civil rights, and to confer upon them all privileges which can be done consistently with the safety and welfare of both races.

5. *Resolved*, That the distressed and impoverished condition of our people earnestly demands the speediest and wisest measures of relief that the Legislature can devise.

6. *Resolved*, That this Convention recognizes, with feelings of gratitude, the heroic and patriotic efforts of the President of the United States, to restore the Union and harmony and good will among the American people.

7. *Resolved*, That this Convention regards the Supreme Court of the United States as the legitimate expounder, in the last resort, of the Constitution—and believe that its rights and powers, in that respect, should be preserved intact, as established by law in the earlier and better days of the Republic, and that any serious impairment thereof, by legislation or otherwise, will be destructive to the best interests of the country, and dangerous to the liberties of the people.

8. *Resolved*, That despairing of any restoration of the Southern States under the conduct of that organization which now controls the proceedings of Congress, waiving all former party feeling and prejudice, this Convention does most unhesitatingly recommend and invite the hearty co-operation of all the good people of North Carolina with the Democrats and Conservative men of the North and West, who are now nobly struggling for the maintenance of the Constitution of the United States and the restoration of the Southern States to their rights in the Union on the solid foundation of harmony and peace.

9. *Resolved*, That this Convention elect four delegates and four alternates, for the State at large, to represent the Conservative people of North Carolina in the next Democratic National Convention, and that it recommend to the Conservative people of the several Congressional Districts, to appoint delegates at an early day to represent them in said Convention.

10. *Resolved*, That when an election shall be ordered for the ratification of a new State Constitution, the Executive Committee for the State, which has been appointed by this Convention, be instructed, if the time shall be sufficient, to call a Convention of the Conservative people of the State, to put in nomination candidates for the various State offices whose election shall then be ordered; and if there shall not be sufficient time to call said Convention, to put in nomination sound Conservative men for said offices.

NEW ARRANGEMENT

FOR THE

SENTINEL.

Published in the City of Raleigh, N. C.,

Daily, Semi Weekly and Weekly.

William E. Pell, } Editors.
Seaton Gales, }

In view of the scarcity of money, and the severity of the times, the Proprietor of the SENTINEL has determined to reduce the terms of the paper, to commence after the 31st. DECEMBER, next, and to make such improvements in its general character as will commend it to the patronage of an enlightened public.

In POLITICS it will be thoroughly Conservative, advocating, at all times:

A strict observance of the Constitution of the United States and the harmonious Union of equal States;

Obedience to law and the enforcement of order;

The supremacy of the civil over the military, in time of peace;

The equality of the three co-ordinate branches of the government;

The sovereignty of the States over their own internal affairs, in strict conformity to the Constitution;

The maintenance of freedom and justice to all, without distinction of color, but the supremacy of the white race as the governing class;

Opposition to Radicalism in all its phases

As a NEWS journal, it shall be equal to any.

The principal markets will be regularly published.

Its LITERARY character shall be maintained and improved, by contributions from our best writers

Finally, the SENTINEL will seek to be the special promoter of the educational, moral and economical interests of the people of North Carolina.
